PROGRAM STRUCTURE: includes 9 months of clinical Preceptorship

- 5 weeks in classroom
- 6 weeks of training
- Remainder of 1st year: clinical preceptorship
- Monthly meetings w/Directors to chart your progress and plan future career goals

OVERVIEW:

- The focus is the new grad RN's growth and development. Preceptor training available
- Routine check-ins by Nursing Leadership
- The units are very welcoming to new grads / one-on-one training!
- **You will be trained to be an Expertise in handling sophisticated medical equipment**

LOCATIONS:

Opportunities in East U.S. states and Midwest states – some on coast with beaches – some in mountainous areas – and some of them in a large metropolitan city

- We have 3 new Level 1 Trauma Centers which are located in the cities, with one of them even being surrounded by mountainous area. And Level 2 Trauma Centers near the beaches and mountains. Programs are in different states; all different locations. We have busy locations...and have quiet locations outside of the hustle bustle.
