

## B.S. IN NURSING-RN to BSN Program Requirements

(180  
Units)

### Admission requirements:

1. California Registered Nurse License
2. Pre-requisite GPA  $\geq 3.0$
3. A.D.N. GPA  $\geq 3.0$
4. Submit RN screening form and all transcripts
5. Application to CSUSB admissions with second set of transcripts (students who are close to these standards may be admissible upon remediation)

### LOWER DIVISION GENERAL EDUCATION REQUIREMENTS

This program assumes all lower division general education requirements have been met. The IGETC is valuable, but not required. *Some lower division General Education requirements can be completed while the BSN program is in progress, but this will extend time to graduation.*
